Make Shelter Lunches!

Make An Impact With Folks Staying In Our Shelters

Our shelter guests receive a daily meal as part of their care. **We need your help to make that possible - this opportunity is perfect for large groups!**

It's simple - buy the ingredients, make the lunches, and choose a drop-off time that works for you. Select either of our shelters in Downtown or South Minneapolis.

Your generosity brings nourishment and hope to our neighbors who need it most!

You must schedule an appointment before dropping off lunches. Scan the QR code to schedule!
